TERMS AND CONDITIONS

At Seven Hills Crematorium, we aim to keep our grounds and woodlands as natural as possible. In addition to help keep the grounds looking their best, we are also assisting the many species of wildlife that live here.

Therefore, we ask that only fresh flowers are left. We do not permit any the following:

Artificial flowers, unofficial vases, candles, lanterns wind chimes, fencing etc. This is an example of prohibited items and the list is not exhaustive.

If you are purchasing a memorial pillar in our woodland areas, please do not arrange logs to create a 'plot' or remove the natural foliage.

Please be aware that we have different species of resident deer that will eat some fresh flowers.
